

# Lipstick Tango

**Count:** 32    **Wall:** 4    **Level:** High Beginner - Tango Style

**Choreographer:** Michele Burton - October 2017

**Music:** The Lipstick On His Collar by Caro Emerald – 120 bpm

## #32 count introduction \* 1 Restart

**Note:** For a little more intrigue and challenge, continue the dance when the music drops out at 2:19. Dance at the same tempo. You will finish the “quiet” wall and begin again just as the music picks up.

You may also choose to cut the music at 2:19 on the last strong drum beat before the music is “quiet.”

**Note:** Give this dance a try as a floor split with more difficult tango dances.
